

A sea turtle

I am a sea turtle
Dressed in a green suit.

I am not lazy.

Think of me as a different thing —
An elegant lady.

I love jelly fish
That are swimming in the sea.
Just like a hunter,
I'm finding food under the sea.
Yes, me!

I don't bite or block your way.
I can only hurt myself —
Eating plastic bag in the sea
Passing me away.
