

A TIGER

I am a tiger

dressed in a big orange coat,

I am not scary

Think of me as a different thing —

A cat's twin.

I love moving around in the jungle
that allows me to play freely
just like an active child.

I'm playing throughout the day.

Yes, me!

I don't bite or eat you,

I can only hurt myself —

Playing in the jungle dusk to dawn.

Tiring myself out!
